

Waking Up to a New Reality
God Is Always at Work Around You*

Matthew 6:33

"Get Real" or "Get Taken"

1. God is at work today just as he has been from the beginning of time.

John 5:17

Matthew 6:31-33

John 12:26

2. God reveals himself to us according to our faith and intended obedience.

Never ask God where he is at work if you are not willing to wait for the answer and then obey when He speaks.

Romans 12:2

Hebrews 11:33-38

3. Jesus empowers us and intercedes for us to do His work.

When Jesus intercedes for us what does he say ?

John 17:9-11

John 17:15

John 17:16-21

What you do in response to your Lord has a dramatic impact on the world believing that God sent His son.

4. God designed His people and church with a specific purpose in mind.

5. We are to measure our success according to our obedience rather than our goals.

What do you suppose God's purpose was for creating Prescott First Church of the Nazarene?

Why do you suppose he has added you to His church?
